

STI-13110FR-BREAK

Weatherproof Manual Call Point Cover

Features

- ▶ Robust polycarbonate construction
- ▶ A simple 4 fixing installation can retrofit over existing device.
- ▶ Can accommodate flush or surface mount applications
- ▶ For use with Ekho Manual Call Point EK-WL8-CP.

Description

This weatherproof call point cover can be used in conjunction with the EK-WL8-CP wireless manual call point to provide secure, weatherproof protection without restricting legitimate operation.

The cover offers excellent protection against physical damage (both accidental and intentional), dust and grime as well as severe environments inside and out.
